Subject: Potential Conflict

Counsel – It has recently come to our attention that your firm may have a potential conflict of interest in its continued representation of Drs. Chad Turner and William Earley. In reviewing this potential conflict, I would refer you to both Model Rule of Professional Conduct 1.7 and 1.10. Inasmuch as the United States has an interest in protecting the integrity of the prosecution, I am bringing this potential conflict to your attention. I ask that each of you provide me with a written assurance that you have adequately addressed the conflict and if your clients consent to your continued representation, please forward to me your confirmation of this fact.

Sincerely,

Monica D. Coleman
